

REMARKS

The present amendment is being file to correct a clerical error by which the last few words of claim 20 had been inadvertently omitted when the amendment of September 18, 2009, was filed. The present amendment should be entered as it is being filed during the suspension period requested at the time of filing the RCE on September 18, 2009. It is being filed without prejudice to applicant's right to file a further amendment during the suspension period, if it sees fit to do so.

Consideration of the present supplemental amendment in conjunction with the amendment of September 18, 2009, and reconsideration and allowance are therefore earnestly solicited.

Respectfully submitted,
